April 27, 2024

Mr. John Smith

Program Officer

Agricultural Development Agency

789 Government Road

Capital City, State 12345

Dear Mr. Smith,

I am writing to submit a proposal for a community poultry farm project aimed at improving local food security and income generation in Greenfield. As the founder of Greenfield Farmers Cooperative, I am passionate about sustainable agricultural development and believe this project aligns well with the agency's objectives of promoting rural livelihoods.

Our project, titled "Greenfield Poultry Initiative," intends to establish a small-scale poultry farm that will produce high-quality eggs and meat for local markets. The project will involve the acquisition of 500 local-breed chickens, construction of basic poultry housing, and training for community

members in poultry management and biosecurity practices. Our goal is to empower 50 households over the next year, creating employment opportunities and ensuring nutritional benefits for families.

The need for this project stems from the limited access to affordable protein sources in Greenfield, coupled with high unemployment rates among youth and women. According to recent surveys, over 70% of households lack reliable sources of animal protein, and local poultry farming remains underdeveloped due to lack of resources and technical knowledge.

To implement this project, we plan to:

- Secure land and necessary permits by May 2024.
- Procure poultry stock and materials by June 2024.
- Conduct training sessions from July to September 2024.
- Launch initial poultry production by October 2024, with ongoing monitoring and support.

Based on preliminary estimates, the total project budget is approximately \$15,000, which covers poultry stock, construction, training, and operational costs. We are seeking a grant of \$10,000 from your agency to cover most of these expenses, with the remaining funds to be contributed by community members and in-kind donations.

Expected outcomes include increased household income, improved nutrition, and strengthened community resilience. Additionally, the project will serve as a model for sustainable poultry farming in neighboring districts.

We would be grateful for the opportunity to discuss this proposal further and explore partnership possibilities. Thank you for considering our initiative to uplift Greenfield's rural communities through poultry farming.

Sincerely,

Jane Doe
