The scoring system for the CJBAT is designed to ensure that candidates meet a minimum competency level across all tested areas.

- Scaled Scoring: Each section is scored on a scale, typically from 0 to 100.
- Minimum Passing Score: While specific thresholds may vary by agency, a common passing score is around 70-75 in each section.
- Composite Score: Overall scores are often calculated by averaging individual section scores.
- Retake Policy: Candidates can usually retake the test after a specified waiting period, but multiple attempts may have restrictions.

Achieving a passing score is essential, as failure to meet the minimum requirements can disqualify a candidate from proceeding further in the hiring process.
