Scandinavian countries—Norway, Sweden, Denmark, Finland, and Iceland—have long-standing traditions of cooking over open flames, driven by their rugged landscapes and outdoor lifestyles. Historically, fire was essential for survival, providing warmth, light, and the means to prepare food in harsh winter climates.

In rural and coastal communities, cooking techniques such as grilling fish over open flames or smoking meats and fish were commonplace. These methods not only preserved food for long periods but also imparted distinctive flavors that became integral to regional cuisines.
