Chapter quizzes in BSG serve as both formative and summative assessments, designed to evaluate a student's understanding of key concepts, strategic frameworks, and decision-making processes. They reinforce learning objectives by prompting students to recall and apply theories such as SWOT analysis, competitive positioning, financial ratios, and ethical considerations.

Driving Engagement and Strategic Thinking

These quizzes compel students to engage deeply with the material, encouraging analytical thinking rather than rote memorization. They also serve as checkpoints that help identify areas where learners may lack clarity, enabling targeted review and remediation.
