Limitations and Considerations

While Official IELTS Practice Materials 2 is highly valuable, it has some limitations to consider:

- **Limited Scope of Practice Tests:** Compared to newer editions or supplementary materials, the number of full-length tests may be insufficient for extensive practice.
- **Lack of Digital Interaction:** The materials are primarily print-based, limiting interactive learning or adaptive testing.

- Absence of Personalized Feedback: Self-study aids do not provide individualized evaluation, which can be crucial for improvement.
- Updates and Relevance: As the IELTS exam evolves, older editions might contain slightly outdated question formats or content.

Candidates should consider supplementing these materials with online practice tests, live speaking practice, or professional coaching to achieve comprehensive preparation.
