Understanding the Concept of Easter Story Sequencing Cut and Stick

What Is It?

Easter story sequencing cut and stick activities are educational exercises that involve children cutting out images related to the Easter story, arranging them in chronological order, and then sticking them onto a poster or worksheet to recreate the narrative visually. This process helps children grasp the sequence of events that lead up to and follow the crucifixion and resurrection of Jesus Christ, as told in Christian tradition, through a tactile and engaging method.

These activities are typically designed with colorful illustrations depicting key moments such as Palm Sunday, the Last Supper, Jesus' arrest, crucifixion, burial, and resurrection. The images are printed on sheets that children cut out along designated lines, then reorder and affix onto a background to tell the story step-by-step.

The effectiveness of Easter story sequencing cut and stick activities lies in their multi-sensory engagement. Combining visual, tactile, and kinesthetic learning styles, these exercises help:
