Basic Knots in Macrame Bracelet DIY

Mastering fundamental knots is the cornerstone of creating beautiful macrame bracelets. Once familiar with these, you can experiment with various patterns and designs.

Square Knot

The most common knot in macrame, perfect for creating symmetrical patterns:

- Place the left working cord over the two center cords, forming a loop.
- Bring the right working cord over the left loop, then under the two center cords, and pull through.
- Repeat in the opposite direction to complete the square knot.

Half Hitch Knot

Useful for creating lines or adding decorative elements:

- Take a working cord and wrap it around the anchor cord, forming a hitch.
- Pull the working cord through the loop to tighten.
- Repeat as needed to build patterns or create fringes.

Lark's Head Knot

Ideal for attaching charms or starting your bracelet:

- Fold the cord in half to form a loop.
