Sei tu l'amore che l'anima invola?

O dolce Stella, che mi fai sperar,

Nel cuor mio il desiderio di te palpitar.

Nel silenzio della notte oscura,

La tua immagine dolce e pura

Mi guida come una stella lucente,

Verso un sogno di pace, eternamente.

Sei il divino sorriso che consola,
E in ogni mio pensier tu ti consola.

A te che l'amore e la fede abbraccia,
Nel desiderio di un'eterna verità,
Ti canto con l'anima, con pietà.

Canto a Teresa

(Song to Teresa)

O radiant light that shines above,

The beacon guiding mortal love,
Thy sacred flame ignites my soul,
To reach thy grace, my ultimate goal.
In shadows deep where doubts reside,
Your gentle spark becomes my guide,
A ladder high, I strive to climb,
Toward thee, eternal and divine.
Thy beauty, more than stars' array,
Outshines the dawn of break of day,
A garden blooming without end,
Where every petal's love does tend.
My heart, aflame with fervent desire,
Burns with a heavenly fire,
To taste the sweetness of thy grace,
And see thy ever-glowing face.
O Teresa, thou spiritual queen,
In every prayer, in every dream,
Thy love transforms my mortal frame,
And lifts my soul to thy eternal flame.
Guide me along the sacred way,
Through darkness into perfect day,

Until I rest beneath thy gaze,

In endless love's embrace always.
