- Definitions in Korean and English.
- Example sentences illustrating usage.

While many TOEFL vocabulary books are solely in English, the Korean edition's bilingual approach offers clearer understanding for learners less comfortable with English explanations. However, this might slow down the transition to pure English context usage.

Compared to Other Korean TOEFL Prep Books

Other Korean editions often focus on test strategies or full-length practice tests, whereas David Cho's book emphasizes vocabulary building. Its targeted approach makes it a valuable supplement rather than a standalone resource.

Practical Usage and Study Recommendations

complete exercises.

- Use the Online Resources: Engage with digital quizzes and flashcards to reinforce memory.
