Subsequent syllabi, especially post-2015 revisions, continued this trajectory, reflecting ongoing curriculum reform initiatives in Bangladesh.

Challenges and Critiques of the 2015 Syllabus

While the syllabus aimed for modernization and inclusivity, it faced several critiques:

- Curriculum Overload: Some educators argued that the extensive content burdened students.

- Resource Constraints: Lack of adequate laboratory facilities and teaching aids hampered effective implementation.
- Preparation Disparities: Urban students often had better access to resources, widening educational gaps.
- Assessment Alignment: Critics suggested that examinations still leaned heavily on rote memorization despite curriculum reforms.

Addressing these challenges required systemic reforms, teacher training, and resource allocation?areas that Bangladesh?s education authorities continue to prioritize.
